

Dear Parents and friends

Our theme for this term is 'Fairytales'. As part of this theme we have been making gingerbread men and today we noticed that one of the gingerbread men 'escaped' from our oven! We hope you can help us 'find' him. If you would like to join the hunt, go to our school website where you'll find a copy of the gingerbread man (on the Newsletter tab). You can email the gingerbread man to family or friends (or direct them to the website), ask them to print it out and take a photo of him where they live. The photo and location can then be sent to [harrisonns@btconnect.com](mailto:harrisonns@btconnect.com) or can be posted to the Harrison Parents closed group on Facebook or our public Harrison Nursery School Facebook page.

We will be learning about different places in the world where the gingerbread man could be. If you have any family or friends who live in different parts of Northern Ireland or abroad it would be lovely if they could get involved in this project.

This will be an exciting learning opportunity for the children so we hope you take part. If you have any further questions, please ask Mrs Hunter or Mrs Edwards.

Thanks in advance!
